## THE PINK PANTHER™

The Pink Panther is up to his old tricks again in this hilarious action game! You control the Pink Panther as he sneaks and slinks his way through several screens, attempting to out maneuver The Inspector. If you successfully bypass the Inspector you face your final challenge: to dangle precariously from a swinging rope, steal the pink panther diamond and escape unnoticed. For one or more players.

You control Adam and Shaya, the extra-terrestrial warriors fighting to defend the universe from the deadly aliens. The mystical Volcan Rock, where the warring factions of Power Lords fight for control, holds the secrets of extra-terrestrial power. Use your laser to fight the alien space serpent and gain entry into Volcan Rock. Once inside you search the endless chambers to find the glowing touch-stone that activates the powerful anti-alien weapons and devices. For one or more players.
